

Annual Training Programme

for Governors and Clerks
to Governing Bodies

April 2023 – March 2024

Derby City Council

Welcome to Derby City Council Training Programme for Governors and Clerks to Governing Bodies

Within this Programme, all governors should be able to find a variety of training courses and support. This year again presents many challenges financially, to Derby City Council and to schools. For this reason we have worked hard to ensure that all governor training and support is excellent value for money. Please compare Derby City Council training, the expertise of our trainers and the quality of their materials, to independent trainers and neighbouring providers. We welcome your comments and feedback regarding this brochure and the training content. Please contact us if the developmental needs of your governing body are not covered in the Programme.

In a letter received from Ofsted in February 2013 the LA Governor Support and Improvement team were listed as “a strength for support and training”.

Our Pledge

Our pledge to Governing Bodies:

- Deliver regular and relevant training
- Provide value for money
- Deliver a wide variety of training courses to cater for the needs of new and experienced governors
- Use high quality trainers, producing high quality materials
- Interactive and informative courses
- Accessible venues with car parking and refreshments
- Start and finish on time
- Effective evaluation and monitoring of all feedback from governor training
- Support for chairs of governors
- Support for clerks to governing bodies
- Support for all governors
- Up to date resources and information.

At the heart of all governors' training should be the commitment to ensure better governance, leading to outstanding schools and improving outcomes for all youngsters.

The Annual Training Programme delivers professional development for all Governors and Clerks to Governors

Governor support 2023/24

This service is for all schools and academies.

The Governor Support Team, based within Education and Skills, aims to provide support and guidance to Clerks and School Governors to help improve standards in schools.

We are pleased to be able to offer packages that include **The Key for School Governors**. This has the advantage that it is a very reasonable price and is accessible from your GovernorHub account.

NGA membership is also available as part of our Silver and Gold Packages. Learning Link, the NGA e-learning platform, is also available as a bolt on at a heavily discounted price.

We have **TheSchoolBus** available as a bolt-on again. You choose the option that suits your Governing Board best. **All packages have access to GovernorHub**. Discounts are available for all the external organisations if buying through Derby City Council.

Details of all our packages can be found on the School Information Portal <https://schoolportal.derby.gov.uk/sold-services/brochure-23-24/sold-service-catalogue/governor-support/>

Bespoke Training Sessions for your Governing Body – In House or Cluster Based

Whole governing body training sessions are available by negotiation. If your whole governing body identifies a need for training which would either benefit the whole governing body or is not covered in the Programme, contact Jayne Hadfield, Tel: 01332 640364, Email: jayne.hadfield@derby.gov.uk , to discuss your requirements and match these to a suitable trainer and liaise to find a suitable date and price.

New Governors – Induction Programme

The New Governor Induction Programme is offered as a daytime session or an evening session. It is highly recommended that your new governors attend this course where they will also receive a copy of the National Governance Association – NGA - Welcome to Governance handbook. The details can be found in this brochure and this course was recently judged outstanding by new governors who attended.

Chairs of Governors

All chairs of governors of Derby City schools and academies are invited to termly briefing sessions with representatives from the Local Authority - LA. Vice-chairs and Clerks are also welcome to attend these sessions.

New chairs of governors or chairs who feel they would appreciate some extra support can request a mentor by contacting Jayne Hadfield, Email: jayne.hadfield@derby.gov.uk

We offer a training course specifically for chairs and aspiring chairs of governors:

- Leading Governance for New and Aspiring Chairs

Also available is the National College Leadership Development Programme for Chairs and Aspiring Chairs and the National College Clerks Development Programme.

Designated Governors

The training programme includes many courses which cover the most recent legislation and are essential in order to keep abreast of education changes. These courses act as a crucial reminder and update for experienced governors as well as being important for all new governors. There are also specific courses for those governors with particular responsibilities. For example:

- Head Teacher Appraisal (Performance Management)
- Safeguarding
- SEN
- Children in Care

Clerks to Governors

Good, professional clerks to governing bodies are essential to the smooth and efficient running of the governing body and its meetings. Derby City Council encourages all schools to

value their clerk and provides training for new clerks, termly networking/training sessions and an annual conference.

Clerk's fact sheets are provided to those schools who have bought into the **Governor Support and Improvement** or **Clerks' Helpline** packages.

New clerks can request a mentor by contacting Jayne Hadfield, Email: jayne.hadfield@derby.gov.uk

Governor Support packages in Derby City

In addition to training, support is available for all governors and clerks to governing bodies across Derby City. See the separate pages 04-09.

Governor Feedback

After each training session governors are invited to complete an evaluation sheet, also throughout the year, governors, chairs of governors and clerks of governors offer their feedback and suggestions. We value your comments and appreciate the time you give.

Testimonials

What do governors, clerks and head teachers say about Derby City Governor Support?

Samples below taken from our testimonials page on the School Information Portal <https://sip.derby.gov.uk/governor-support/testimonials/>

I have worked with Governor Services Unit for 2.5 years and I have always found them helpful and efficient. You can always rely on sound advice on any Governance issue you may have. I would recommend any Governing Board buy into this service to help provide them with a strong support system.

Pam Miles - Clerk to Governors

As a school, and under current financial constraints, we have explored alternative provision providers. After very careful consideration, and fundamentally based upon the excellent service that we have received for many years and hopefully will continue to do so into the future, have continued to buy into a number of service packages which includes the Governor Support and Improvement Package.

I have always felt that the service received is both professional and of a high quality, especially from my direct interface with the Governor Support Team who are always eager to assist. Any queries raised are always responded to both quickly and with sound advice offered. In my role, efficient responses are highly important to ensure that we are able to discharge our duties promptly.

Brad Ames - Chair of Governors

Derby City Governor Support Services offer well informed advice and support for our school. Training sessions provide governors with a wide variety of courses covering all the key aspects of governance. Sessions are led by experienced and knowledgeable trainers keeping our governors up to date with current guidance and legislation. This is an excellent service and value for money.

Jonathan Gallimore, Executive Head teacher

Governor Helpline

If you need advice or assistance on matters of governance or training do not hesitate to contact:

Charging and Cancellation Policy
March 2017 v1

Introduction

A review of our course charges/cancellation and non-attendances has been undertaken and the following changes will be implemented from 1 April 2017.

Charges are made to all organisations and internal staff for non-attendance unless adequate notice has been given as outlined below.

The demand for places on training events and the cost to Derby City Council in providing training means that every place booked needs to be a place used. Some of our training courses are purchased from external suppliers and we need to ensure that we recoup this cost and the venue costs to enable us to provide the training.

We hold a waiting list for courses that are oversubscribed and would like to offer a place that isn't going to be used to somebody on this list where possible. It is the organisation/delegate responsibility to ensure that booked places are used or cancelled

Cancellations/Non-Attendance

A cancellation/non-attendance charge of the full amount will be applied if:

- Notification of non-attendance is not received **within 10 working days** of the date of the course or briefing session. The re-charge will apply even if the delegate re-books onto the same course scheduled at a later date.
- When the delegate is off sick and notification is **not** received before or on the day of the course/briefing session.
- No one attends in the place of the delegate.

nb: all cancellations must be received in writing/email.

What you can expect from us

A decision will be made 10 working days before the course/briefing session/event start date about cancellation if sufficient bookings have not been taken for a course/briefing session/event to run as advertised. Where less than 50% of the minimum number of places have been booked then we will either relocate to a smaller venue if possible or the course/briefing session/event will be cancelled. We will notify all delegates of cancellations or changes to venue due to low numbers and where possible we will reserve a place on the next available course/briefing session/event.

Cancellations may occur after 7 working days in exceptional circumstances only, due to trainer illness for example. Where possible we will reserve a place on the next available course/briefing session/event.

A competency framework for governance

The framework begins with the principles and personal attributes which, alongside the commitment of time and energy to the role, underpin effective governance. Following on from this, the knowledge and skills required for effective governance are organised into those which are essential for everyone on the board; those which are required of the chair and those which at least someone on the board should have. In this way, the knowledge and skills required for chairs build on and complement the skills for everyone.

The framework is made up of 16 competencies underpinned by a foundation of important principles and personal attributes. The competencies are grouped under the headings of the six features of effective governance, which are set out in the DfE Governance Handbook: strategic leadership; accountability; people; structures; compliance and evaluation.

The Governance Handbook and Competency Frameworks can be found <https://www.gov.uk/government/publications/governance-handbook>

Principles and personal attributes taken from the Competency Framework

The principles and personal attributes that individuals bring to the board are as important as their skills and knowledge. These qualities enable board members to use their skills and knowledge to function well as part of a team and make an active contribution to effective governance.

All those elected or appointed to boards should fulfil their duties in line with the seven principles of public life (the Nolan principles). They should also be mindful of their responsibilities under equality legislation, recognising and encouraging diversity and inclusion. They should understand the impact of effective governance on the quality of education and on outcomes for all children and young people. In addition, all those involved in governance should be:

Committed Devoting the required time and energy to the role and ambitious to achieve best possible outcomes for young people. Prepared to give time, skills and knowledge to developing themselves and others in order to create highly effective governance.

Confident Of an independent mind, able to lead and contribute to courageous conversations, to express their opinion and to play an active role on the board.

Curious Possessing an enquiring mind and an analytical approach and understanding the value of meaningful questioning.

Challenging Providing appropriate challenge to the status quo, not taking information or data at face value and always driving for improvement.

Collaborative Prepared to listen to and work in partnership with others and understanding the importance of building strong working relationships within the board and with executive leaders, staff, parents and carers, pupils/students, the local community and employers.

Critical Understanding the value of critical friendship which enables both challenge and support, and self-reflective, pursuing learning and development opportunities to improve their own and whole board effectiveness.

Creative Able to challenge conventional wisdom and be open-minded about new approaches to problem-solving; recognising the value of innovation and creative thinking to organisational development and success.

A very useful and enjoyable course.

An excellent presentation of a very tricky subject.

First governors' training I've attended for some time. Plenty of new information. I won't need to be so reliant on external adviser/SSIO.

A relaxed and comfortable forum to ask questions and build knowledge.

The information on the role of a governor and what the roles expectations are was most useful

All trainers very knowledgeable

Interested to hear about how school budgets are calculated.

We will certainly be planning school visits now linked to the school development plan.

It was a great overview of the roles and responsibilities of a governing body, accountability and Ofsted expectations.

The trainer made the lessons very interesting

Lots of techniques we can use to help the school

Brian was very enthusiastic and passionate. Really enjoyed the session

I learnt a lot about what we can and can't do as governors

Very friendly trainers made everyone feel at ease and also made it fun

I cannot identify anything that was not useful to me

I have worked in education for a long time and thought I was quite 'savvy' about safeguarding but I have learned a lot.

*Very clear, well presented information
Trainer very knowledgeable and able to provide direct relevant answers*

The trainer had a lot of personal experience and was able to use that to make the training more relevant.

*One of the best presented training sessions I have ever attended.
All very useful information*

Safer Recruitment in Children's Services

Competency area 1, 2, 4, 5

Target audience: All governors and clerks to governors in particular those involved with staff recruitment. Members of SLT are also welcome to attend.

Ref No	Date	Time From	Time To	Venue
23/41	10/05/2023	09:15	16:00	Venue TBC
23/42	17/05/2023	09:15	16:00	Venue TBC

23/43		18:00	20:00	MS Teams 2 of 3
23/43		18:00	20:00	MS Teams 3 of 3

Since January 2010 it has been mandatory for at least one person on every interview panel appointing school staff to have accessed Safer Recruitment Training. This one-day course is invariably very well received by participants.

It is advised that this training should be "refreshed" after five years.

"It is vital that schools and colleges (and the Children's Workforce) create a culture of safe recruitment and, as part of that, adopt recruitment procedures that help deter, reject or identify people who might abuse children"

This course will provide:

- Give participants an awareness and understanding of offender behaviour
- Identify the key features of staff recruitment that help deter or prevent the appointment of unsuitable people
- Consider policies and practices that minimise opportunities for abuse or ensure its prompt reporting
- Help participants begin to review their own and their organisation's policies and practice with a view to making them 'safer'.

Trainer: James Upton, Independent Trainer

This course is ratified by the Safer Recruitment Consortium. James has completed the 'train the trainer' course and is able to certify participants who attend this course in line with the Safer Recruitment Consortium. This is for both Education and for the wider Children's workforce and in line with government legislation (Keeping Children Safe in Education 2021)

Schools: £100 each	£150 each

I just wanted to pass on huge appreciation to James Upton for the excellent Safer Recruitment training these last few weeks. I don't think anyone's first choice of a Monday evening activity would be safer recruitment training!!! But it was really well delivered, well-paced, and extremely informative. In particular, it struck me that many of the values that we explored in terms of open culture, honest discussion etc were embodied within the culture of the course and within James' training style. So just wanted to say thank you for that.

Self-Review Strategy for Governors – How well are we doing?

Competency area 1, 2, 5, 6

Target audience: All governors and clerks to governors

Inspiring ideas of how to help governing bodies move forward.

*A very enjoyable and thought provoking course
Thank you*

The materials and advice to empower the governing body to do their job properly was brilliant.

The course was very relevant to us as governors and how we can improve our governing body.
