<b>Organisation Introduction</b> <i>'Who we are'</i>	MindJam is an online provision that provides 1:1 emotional support and mentoring. We are passionate to support young people to recognise and reach their potential in an environment that is nourishing and safe. We're based in Lincoln, but as sessions are online, we provide them all over the world.	
<b>External Validation</b>		
<b>Admissions Criteria</b> <i>'Who the programme is intended for'</i>	Any young person aged between the ages of 6 and 25 years old.	
<b>Programme Overview</b> <i>'What we can offer'</i>	MindJam's primary focus is to support young people's emotional well-being. We believe that the key to doing so is by engaging them in a world in which they feel safe and comfortable, namely video games. MindJam provides online 1:1 mentorship and guidance to young people to support their emotional needs and SEN identity through positive, non-judgemental and low-demand sessions.	
<b>Cost</b>	MindJam Mentoring Sessions are £50 per hour +VAT	
<b>Programme Location</b>	Online only	
<b>Programme Length</b>	Sessions can continue for as long as needed. 2 weeks' notice required for ending sessions.
