Farewell from August 2024

Thank you for utilizing Derby local authority for Appropriate Body (AB) services for your early career teachers (ECTs) and newly qualified teachers (NQTs).

As you will be aware, local authorities are no longer operating as ABs from the end of this academic year. It has been a pleasure working alongside school leaders and new teachers to the city and we are sad that we will no longer be able to offer this service for you.

For your new ECT cohort you need to ensure:

- The school HT/Induction tutor signs up to an Appropriate Body via a Teaching School Hub (TSH) - [find an AB](#)
- Register with a training provider - [support for ECTs](#)
- Register school via DfE portal [Manage training for ECTs](#) to include ECT and inductor tutor details

Documents to refer to:

- [Induction for early career teachers](#)
- [Appropriate body language](#)

Jayne and I would like to thank all schools who have utilized our Appropriate Body service for your NQTs and ECTs. We wish you well for the future with your trainee teachers.

We are still available for any other school related enquiries:
